

October 29, 2016 – The America's Cup Tour will be visiting the Texas Seaport Museum

This event is a unique opportunity for our Club! Our America's Cup Event Committee has been working feverishly in association with the America's Cup Tour to bring you a day filled with fun and excitement, not to mention history and tradition. The schooner "America" will be here as part of the Tour and we have a Sail aboard her for all members and guests.

The yacht is a painstaking replica of the original "America," which in 1851 stunned the world by winning the legendary sailing race around the Isle of Wight and won the trophy that now bears her name, the America's Cup!
